Introduction

Thank you for your interest in supporting EveryMind.

fundraising@everymind.ca

Each year, we provide mental health services to close to 5,000 infants, children, youth, young adults and families.

Your commitment to planning a third party event will help us in reaching our fundraising goals. We are here to guide you throughout your event - together we will make a positive impact on the young lives we serve.

Complete the Event Proposal Form and forward to our Fund Development Department. We are looking forward to hearing about your idea and to working with you!

Get Started

Plan

Use your creativity to decide on an idea for your event. Share your idea and plans with our Development Staff to ensure it aligns with our mission and fundraising goals.

Implement

Get organized - form a committee to help you plan your event. Set the date and decide on a venue or if event will be held virtually. Set your goal and budget. Do you need a license (alcohol, gaming)? Recruit volunteers to help with executing the event.

Promote

Promote your event with posters, invitations and social media. Speak with us about setting up an event Fundraising page. Ask friends and family to share details of the event. Use of EveryMind's logo must first be approved.

Host

Get ready for a busy day! Have a plan set out for your volunteers including roles and expectations. If you are holding a virtual event, consider making a clip video to share during/post event. Take a lot of photos and happy fundraising!

Post

Now it is time to thank everyone for supporting your event - sponsors, donors, participants and volunteers. Tally up and promptly submit the funds raised to EveryMind. Only monetary donations are eligible for tax receipts.

Guidelines

EveryMind thanks you for your interest in hosting a third party event in support of our work. Third party events help to bring the community together to create awareness and raise funds in support of child and youth mental health services. There are a few guidelines that you must adhere to when planning your event.

Our Role

- Promotion via social media outlets, website, and internal communications.
- Email of gratitude to committee and volunteers.
- If available, representation at event.
- Tax receipting in accordance with Canada Revenue Agency guidelines.
- Letter of endorsement.
- Provision of logo and branding guidelines.

Marketing & Promotion

- EveryMind must approve use of logo and branding elements and review material before being shared with public.
- Content and tone must be consistent with EveryMind's mission, vision and values.
- Promo must specify funds are being raised in support of EveryMind and is not an EveryMind signature event.
- Promoting on social media? Let us know and we can share your posts.

Tax Receipting

- It is our preference to have all donations made directly to EveryMind indicating support of third party event.
- If lump sum is received post event, a detailed record including full name, address, and amount of donation, will be required to be eligible for a tax receipt.
- Portion of ticket price may eligible for a tax receipt.
- Pledges to event participants are eligible for a tax receipt.
- Donation of auction and raffle items are not eligible for a tax receipt.
- Sponsorship contributions are not eligible for a tax receipt.
